

Our Momma

Momma, God blessed us by making you our mother. No one will ever love us the way you did. We feel so lonely without you. The special memories we have created will hold a special place in our hearts and always bring a smile on our face. If we could have you back so we could enjoy our laughs and family time together. We could sit and have long phone conversations, just like we use to do. We will miss your good cooking, storytelling and our diva. You mean so much to us and we will never forget you, because you mean the world to us. You were our Queen, our rock and you always prayed for us, loved us, spoil us and a true soldier.

We love you and we know God only takes what he needs.

Our Sister

Our big sister/momma words cannot say what our hearts are feeling right now. You have taken care of all of us as kids growing up, you supported our families in more ways than we could count. Thank you for being the example of loving your family we will forever miss and love you sis. Rest Easy Lizzie until we are all together again. We promise to take good care of mother as you did love your siblings Ann, Sandra, Cathy, and Ricky.

Our Nana

You've played a significant role in our lives and you didn't miss a baseball, basketball, t-ball, football game, or track meet whatever it was you was there no matter how you felt. Thank you for loving us unconditionally, our hearts are broken but you've taught us how to understand things we don't understand. We will continue to carry your love in each of our hearts as you would. Rest In Paradise from your grandkids

We love you Nana

If Roses Grow in Heaven

By Dolores M. Garcia

If roses grow in heaven, Lord please pick a bunch for me,
Place them in my Mother's arms and tell her they're from me.
Tell her I love her and miss her, and when she turns to smile,
place a kiss upon her cheek and hold her for awhile.

Because remembering her is easy, I do it every day,
but there's an ache within my heart that will never go away.

Special Thank You

Losing someone we love so much has greatly affected us. Your thoughtfulness in words and deeds shown to us during our loss has brought us comfort we sincerely appreciate these many acts of kindness and condolences. We are thankful that we have friends and family who care and love us so much.
