

## Acknowledgment

Perhaps you sent a lovely card or sat quietly in a chair; perhaps you sent a floral piece, if so we saw it there; perhaps you spoke the kindest words, as any friend could say; perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much whatever the part. May God forever bless each of you.

### Grandmother

*God looked around his garden and found an empty space then he looked down upon his earth and saw your tired face. He put his arms around you and lifted you to rest God's garden must be beautiful. He only takes the best.*

*From Your Grandchildren*

### Broken Chain

*We little knew that day. God was going to call your name. In life we loved you dearly. In death, we do the same. It broke our hearts to lose you. You did not go alone. For part of us went with you. The day God called you home. You left us beautiful memories. Your love is still our guide. And although we cannot see you, you are always at our side. Our family chain is broken. And nothing seems the same. But as God calls us one by one, the chain will link again.*

*From Your Loving Son, Robert Stephens, Jr.  
and Devoted Daughter, Carlette Scott*
