

### *Acknowledgement*

We, the family of Eric Lamont Griffin thank you for the many expressions of love and concern extended to our family during this time. Your kindness will always be remembered and cherished by our family.

My Dearest Eric,

I have trouble accepting the fact that you are gone, so I won't. It will be like we went for awhile without seeing each other. But I can understand why God wanted you close to him and not let you suffer as you have for these past years and you was truly my angel on earth and in every special way. I love you, miss you and you will always have a place in my heart forever.
