## No Goodbye

*I didn't go to say goodbye  
It repeats inside my head  
It fills my hear with pain  
And my very soul with dread.*

*I never said those final words  
Whispered quietly in your ear  
But I did say "I love you"  
Enough times for you to hear.*

*It isn't about the final words  
That were said or not spoken  
It is about the love expressed  
That not even death has broken.*

*Loving you to life and for life,  
Your Cousins*

## *Dear Wife In Heaven*

*I sit here and ponder how very much  
I'd like to talk with you today  
There are so many things  
That we didn't get to say.  
I know how much you care for me  
And how much I care for you,  
And each time that I think of you  
I know you'll miss me too.*

*An angel came and took you by the hand, and said  
Your place was ready in Heaven, far above...  
And you had to leave behind, all those you dearly loved  
You had so much to live for, you had so much to do...  
It still seems impossible that God was taking you.  
And though your life on earth is past, in Heaven starts anew  
You'll live for all eternity, just as God has promised you.  
And though you've walked through Heaven's gate  
We are never far apart  
For every time I think of you,  
You're right here, deep within my heart.*

*Forever love your husband,  
David*

## *Farewell Dear Mother*

*Somewhere in my heart beneath all my grief and pain,  
Is a smile I still wear at the sound of your dear name.  
The precious word is 'MOTHER', she was my world you see,  
But now my heart is breaking cause she's no longer here with me.  
God chose her for His angel to watch me from above,  
To guide me and advise me and know that I'm still loved.  
The day she had to leave me when her live on earth was through,  
God had better plans for her, for this, I surely knew.  
When I think of her kind hear and all those loving years,  
My memories surround me and I can't hold back the tears.  
She truly was my best friend, someone I could confide in,  
She always had a tender touch and a warm and gentle grin.  
I want to thank you mother for teaching me so well,  
And though the time has come that I must bid you this farewell.  
I'll remember all you've taught me and make you proud you'll see.  
Thank you my Dear Mother for all the love you showed me.  
Although you've left this earth and now you've taken flight,  
I know that you are here with me each morning, noon, and night.*

*Loving you forever your children,  
LeDarius, Devonte, and DayVonah*

## *Sister*

*Until We Meet Again*

*A light from my life has gone*

*A voice I loved is still*

*A place is vacant within my heart*

*Which never can be filled.*

*A bouquet of beautiful memories*

*Sprayed with a million tears*

*I wish that God could have spared you*

*If just for a few more years.*

*I hold you close within my heart,*

*And there you will remain*

*To walk with me throughout my life*

*Until we meet again.*

*So rest in peace dear loved one*

*And thanks for all you've done*

*I pray that God has given you*

*The crown you've truly won.*

*Your vacant place*

*No one can fill*

*I miss you now*

*And always will.*

*Like an eternal flame your memory will live in my  
heart forever.*

*Loving you always your brother,  
Vincent*

## *A Much Loved Daughter*

*The day that God called your name  
It broke my heart in two  
But Heaven needed an Angel  
And the one he picked was you  
I just wish he could have waited  
And let you stay with me  
But you have left memories in my heart  
And that's where they'll always be  
I just wish I could rewind the clock  
Or make it turn real slow  
I could have hugged you one more time  
Before you had to go  
No matter how much time will pass  
I'll miss you everyday  
Keep shining bright in Heaven  
So you can light my way*

*Loving you forever your Dad,  
Earl "Drip" Hosey*

## *Her Journey's Just Begun*

*Don't think of her as gone away  
Her journey's just begun,  
Life holds so many facets...  
This earth is only one.  
Just think of her as resting  
From the sorrows and the tears  
In a place of warmth and comfort  
There are no days and years.  
Think how she must be wishing  
That we could know today,  
How nothing but our sadness  
Can really pass away.  
And think of her as living  
In the hearts of those she touched...  
For nothing loved is ever lost  
And she was loved so much.*

*Love always,  
Your Brothers and Sisters*

## *For A Dear Loved One*

*You filled the world with special joy  
And happiness untold.  
You always had a sunny way  
And a lovely heart of gold.  
You made life so much brighter  
Just by being thoughtful, too.  
And saying kind and helpful things  
Was typical of you.  
That's why it's hard to face the world  
And know you won't be there,  
Lighting up life so warmly  
With your smile beyond compare.  
The memories you've left behind  
Grow sweeter day by day,  
But you are missed, dear Loved One,  
More than any words can say.*

*Loving you forever,  
Your aunts and uncles*

*In  
Loving  
Memory*

## *Auntie In Heaven*

*Although you sleep in Heaven now  
You're not that far away  
My heart is full of memories  
And you're with me everyday  
You lived your life with meaning  
And with a smile upon your face  
A world that was full of happiness  
Is now an empty place  
People say that only time  
Will heal a broken heart  
But just like me and you  
It has been torn apart  
I know you are at peace now  
And in a place where you are free  
Meet me at the Pearly Gates  
When Heaven calls for me*

*Remembering you always with love,  
Your nephews and nieces*
