A Silent Tear

*Just close your eyes and you will see
All the memories that you have of me
Just sit and relax and you will find
I'm really still there inside your mind.*

*Don't cry for me now I'm gone
For I am in the land of song
There is no pain, there is no fear
So dry away that silent tear.*

*Don't think of me in the dark and cold
For here I am, no longer old
I'm in that place that's filled with love
Known to you all, as "up above".*

...Life Is Not The Same Without You

***The sun still rises in the east
and darkness falls at night
but nothing now seems quite the same
each day is not as bright***

***The birds still sing, the flowers grow
the breeze still whispers, too
but it will never, ever be
the same world without you***

***It's so sad that you had to go
your leaving caused such pain
but you were so very special
and earth's loss is heaven's gain***

***Love always,
Your Family***
