Afterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun;

Of happy memories that I leave when life is done.

Into the freedom of wind and sunshine

We let you go

Into the dance of the stars and the planets

We let you go

Into the wind's breath and the hands of the star maker

We let you go

We love you, we miss you, we want you to be happy

Go safely, go dancing, go running home
