## *My Last Assembly*

*If this life has taught me anything  
It's that I've been a student all my days  
Learning from each interaction  
Along the scholastic way*

*Now a place in the open universe awaits, and  
The answer to the last question of the exam hall  
Are my views on Religious Education  
Still worth anything at all  
So farewell to you and my verbosity  
I now end with one of Charles Eliot's jots  
'A good teacher is like eternity  
He/She never knows where his/her influence stops'*
