

I Never Saw Your Wings

How is it that I never saw your wings
when you were here with me?
When you closed your eyes and soared
to the Heavens I could hear the
faint flutter of your wings as you left.
Your body no longer on this side
your spirit here eternally I see your halo shine.
I close my eyes and see the multi-colored wings
surround me in my saddest moments
and my happiest times.
Mother my angel God has given
you your assignment
always my mother forever my angel.
You fly into my dreams and when I am asleep
I feel your wings brush against
my face wiping away
the tears I shed since I can no longer hold
you in my arms but in my heart.
You earned those wings dear mother
and you will always be my angel eternal.
