

*When I remember you, I remember the first time we met.  
I look back at our time together with absolutely no regret.*

*When I remember you, I remember the first time I looked into your  
eyes.  
I couldn't believe my luck; I thought I had won first prize.*

*When I remember you, I remember when you stole my heart.  
I knew from that first moment they could never keep us apart.*

*When I remember you, I remember our favorite song,  
But somehow it sounds different without you humming along.*

*When I remember you, I always shed a tear  
For every moment we had together and every happy year.*

*When I remember you, I miss our walks alone at night,  
Stars in the sky, hand in hand, we surely were a sight.*

*When I remember you and the love we always shared,  
Of life without you at my side, no way was I prepared,*

*So now when I remember you, my love, I remember mostly this...  
I'll see you soon in paradise, and together we'll reminisce.*

*I Will Always Love You,  
Brenda*
