888 6th Avenue | Graceville, Florida

***Following the remembrance services
as we continue to remember and honor his life.***

My Life Story....

William Benjamin Carswell, 36, a Nurse Practitioner with family roots in Graceville, Florida, and Slocomb, Alabama, passed away unexpectedly on Thursday, May 13, 2021, in Orlando, Florida. His loved ones were by his side.

William was born on Kadena Air Base in Okinawa, Japan, on October 2, 1984. He graduated from Choctawhatchee Senior High School, in Fort Walton Beach, Florida. William received his Associate of Science in Nursing at Seminole State College. He received his Bachelor of Science in Nursing (BSN) and Master of Science in Nursing (MSN) from the University of Central Florida in Orlando, Florida.

William became a Certified Pharmacy Technician and considered a career in Pharmacy, before deciding to follow in his mother’s footsteps and become a Registered Nurse. William worked as a Registered Nurse at Orlando Regional Healthcare; a Nurse Practitioner at NuMale Medical Center in Orlando, Florida; and as a Nurse Practitioner at Men’s Health in Boston, Massachusetts. During his education, William developed a keen interest in hormone therapy and would dedicate his professional life to helping those who wanted to improve their bodily health and wellness.

William was an Advanced Registered Nurse Practitioner (ARNP) certified in Advanced Metabolic Endocrinology working independently in Orlando, Florida.

Throughout life William enjoyed swimming, competing at the championship level in middle and high school, and going on to coach fellow athletes training for marathons while in college. Despite his love of sweets and dining out with friends, William was also a gym enthusiast. William made a home for himself in Orlando, Florida, cultivating lifelong friendships, traveling, and enjoying life.

Known for his tall stature, kind heart, quirky sense of humor, and warm smile, William will be remembered by all who knew him as a bright light and a constant friend. He inspired those around him to treat others kindly and to strive to be their best selves.

He is survived by his mother, Betty Robinson Carswell, RN; his father, Robert Charles Carswell; his older sister, Ashley Alena Carswell; his stepfather, Lee Moore; his maternal grandmother, Metterean Robinson; and numerous aunts, uncles, and cousins.

William is preceded in death by his maternal grandfather, Willie C. Robinson; his paternal grandfather, Robert Benjamin Carswell; his paternal grandmother, Lee Annie “Lee Ann” Carswell; his paternal aunt, Robbie Sue Carswell; and his older brother, Robert “Roger” Carswell.

To Be A Nurse

*To be a nurse is to walk with God
Along the path that The Master Trod;
To soothe the achings of human pain,
To faithfully serve for little gain.
To lovingly do the kindly deed,
A cup of water to one in need.
A tender hand on a fevered brow,
A word of cheer to the living now;
To teach the soul through it's body's woe,
Ah! this is the way The Lord would go.
The Great Physician is working through you!*

*You Will Always Remain
In Our Hearts*

"A Pittman Service Makes the Difference"

A Life Celebration

Nurse Practitioner

A Nurse's Prayer
Let me dedicate my life today to
the care of those who come my way.
Let me touch each one with healing hand
and the gentle art for which I stand.
And then tonight when day is done,
O let me rest in peace if I have helped just
one. I am truly resting in peace.

**William Benjamin
Carswell**
