When I Must Leave

When I must leave you for a little while,
Please do not grieve and shed wild tears,
And hug your sorrow to you through the years.
But start out bravely with a gallant smile.
And for my sake, and in my name,
Live on and do all things the same.
Feed not your loneliness on empty days,
But fill each waking hour in useful ways.
Reach out your hand in comfort and in cheer,
And I in turn will comfort you and hold you near.
And never, never be afraid to die,
For I am waiting for you in the sky.

God's Garden

You are not forgotten nor will you ever be.
As long as life and memory last we will always remember thee.
A million times we will miss you a million times we will cry.
If love alone would have saved you you never would have died.
In life we all loved you dearly in death we love you still.
In our hearts you hold a place no other one can fill.
The golden gates stood open God saw you needed rest.
God's garden must be beautiful for He always picks the best.
