*A True Fisherman*

A true fisherman knows when  
and where the fish are biting.  
He rises up early in the morning,  
plying the water for that elusive catch,  
waiting in the stillness for a nibble.  
A slight twitch in the line, expertly he  
reels it in. A good fisherman knows a  
keeper when he sees one,  
he knows when to toss one back,  
and when to head for home.
