Never Imagine Life Without You

We never imagined life without you.

These past days have been hard and long. Numb on the inside, but feeling every note in a song. Our tears flow endless, our pain is too deep, restless. Quiet nights with no sleep. Lost, not knowing what to do.

Umm,.. never imagined life without you.

Daydreaming asking how this can be. So used to talking to you and you vibing with me.

Now you are all I want to see.

Never imagined life without you.

I can hear your voice telling us to be strong, trust GOD throughout the process, love on my kids, and hold on.

Saying, don't imagine me not being here.

With every thought or memory, remember I am always near.

Watching over y'all and keeping the road clear.

That's what angels do.

But still I say,

Anna, we never imagined life without you.

-Tina

Missing You

"Though I'm missing you
(Although I'm missing you)

I'll find a way to get through
(I'll find a way to get through)

Living without you

'Cause you were my sister, my strength and my pride

Only God may know why, still I will get by....."
