

When I'm Gone

*When I come to the end of my journey,
and I travel my last weary mile,
just forget, if you can, that I ever frowned,
and remember only the smile.*

*Forget unkind words I have spoken,
Remember some good I have done;
forget that I ever had heartache,
And remember I've had loads of fun.
Forget that I've stumbled and blundered
and sometimes fell by the way;
Remember I have fought some hard battles
And won, ere the close of the day.
Then forget to grieve for my going,
I would not have you sad for a day.*

I Wish I Could See You One More Time

I wish I could see you one more time come walking through the door; but I know that is impossible, I will hear your voice no more. And if you could see my tears, you wouldn't want me to cry; yet my heart is broken, because you had to die. I pray that God will give me strength, and somehow get me through, as I struggle with this heartache that came when I lost you. "My Only Daughter!"

In Our Hearts

We thought of you today, but that is nothing new; we thought about you yesterday, and days before that, too. We think of you in silence, we often speak your name; now all we have are memories, and your picture in a frame. Your memory is our keepsake, with which we will never part; God has taken you away, but you are always in our heart!

You Never Said Goodbye

You never said I'm leaving, you never said goodbye; you were gone before I knew it, and only God knew why. A million times I will need you, a million times I will cry; if love alone could have saved you, you never would have died. In life,

I loved you dearly; in death,

I love you still.

In my heart you hold a place that no one else could ever fill!
