## MY FOREVER LOVE

I still say I Love You,  
But now there's no reply.  
I always feel your presence  
As if you never left my side.

I remember your comforting voice.  
Now there's not a sound.  
Only echoes from the past  
Follow me around.

You're always by my side,  
But I can't hold your hand.  
The reason why God took you  
I find hard to understand.

Summer days seem much shorter.  
Dark nights just linger on.  
Dreams turn into nightmares  
When the one you love has gone.

But real love never fades.  
It still burns like the sun.  
Although they're far away,  
Those memories go on and on.

His spirit will never die  
It shines like the stars.  
I know you're sleeping in peace,  
But you're living in my heart.

*Love always, Doris*
