The Hand of God

Though today, you walk in sorrow, you will not be alone, there is One whose loving wisdom is far greater than your own. Put your trusting hand in His as a little child would do and He like a loving father will guide and comfort you! Day by day, there will come to you new faith, new hope, new light. You'll find that stars unseen by day, shine through the darkest night. And though your heart is longing for the dear one who's at rest, you'll know before the journey's end that God's dear ways are best!
