## "My Angel In The Sky"

Each day I look to heaven,  
each day I call your name.  
Each day just feels so different  
it hasn't been the same.  
Each day I always question,  
I often wonder why?  
you had to go away from me,  
My angel in the sky.  
I keep you in my memories,  
since we've been apart,  
And I'll always have a part of  
you locked safely in my heart.
