

*"All the skilled women spun cloth with their hand
and brought what they had spun in
blue and purple and deep red yarns and fine linen"*

*All the women who were
eager to use their skill spun goat's hair. Spices
and oil for light and
anointing oil, and for the sweet-smelling incense.*

*Women who were eager to
contribute something for the work that the
Lord had commanded Moses to do
brought it as a spontaneous gift."*

May Lee's Walk

O, when my time on earth is done, and

I am no more

Don't remember how I found death

knocking on my door

Don't bother with the details of how I met

with my demise

Don't worry for my soul or let tears flow from your eyes

Know, when I go, you can rest assured I am in a better place

I am walking on golden streets and seeing my Savior's Face

I'm Huggin my father's neck and seen my mother, too

I will bask in God's glorious Love as I wait for you

Remember how I loved The Lord and how I sang for him

Tell my family left behind how much I still love them

O Share my stories of my silly side and the laughter I have caused

Don't weep for me I say...my last request is that you take a pause!

So, check your heart and your souls condition, Have you made

PEACE with GOD

*I pray you all will do this **HTS WTL**... and Teach others about **HTS***

***LOVE** both near and abroad*

So, your smiling faces I'll be able to see when

*your earthly race is **WON***

O Don't cry for me, but celebrate... I am Forever with

THE GLORIOUS SON
