

Final Harvest

*He was bound to the land from the day of his birth
His roots anchored deep in the fertile earth
Nurtured, sustained, by the soil he grew
And his life, like his furrows, ran straight and true*

*In faith each spring, he planted the seeds
In hope, to reap for his family's needs
With patience, he waited for the harvest to come
To gather the fruits of his labor home.*

*Ever turning seasons, the years sped fast
'Til the final harvest came at last
Then claimed anew by beloved sod
He was gathered home to be with God.*
