I will come to you in the silence

I will lift you from all your fear

You will hear My voice

I claim you as My choice

Be still, and know I am near

I am hope for all who are hopeless

I am eyes for all who long to see

In the shadows of the night,

I will be your light

Come and rest in Me

Do not be afraid, I am with you

I have called you each by name

Come and follow Me

I will bring you home

I love you and you are mine

In Loving Memory
