

## LETTERS TO OUR FATHER

Dear Daddy,

I cannot believe this is my new reality, a life without you. I cannot believe I have to say goodbye. This is the hardest thing that I have had to endure, but I know that I will get through this. I am going to miss you immensely. You were always someone I was able to call on and you made sure to be there for me. I wish you didn't have to leave us so soon because I feel like we need more time, we should still have more time. I wish I could hear your voice again; I wish I could hear you laugh again; I wish I could let you know how much I love you. I will forever treasure all of the moments and the memories that we shared, all of the laughs and daddy daughter talks. There will never be a day that goes by that I won't think of you, I love you Daddy, I'll see you on the other side.

Love, Kirstin

To My Dad in Heaven,

This one really hurts, and I wish I could rewind the time so that I could squeeze in more phone calls, more hugs, and especially more I love yous. Heaven is your home now and I have comfort knowing you are resting in the arms of God. I will forever hold you close to my heart. I promise to continue to make you proud.

I miss you and I love you.

Love, Twuana

Dear Dad,

I never knew how I would feel once you were gone. All the times you have been there for me. I love that you never missed a graduation day or never forgot to call me for my birthday (even if a time or two you called me by my sister's name), I still love and appreciate the effort you took. Even after your accident, you still made a way to me to help me in a time of need. I love you more than you can imagine and wish I could hug you one last time and hear you say "I love you daughter dearest": One last time to see your smile one last time, hear your laugh one last time. Now all I have are memories, but at least I have that. Thank you for being you and helping create a person like me. I will love and miss you dad every day until we meet again.

Love, Amber

To My Dad in Heaven

I wish I could see you one more time, but I know that's impossible. Hearing you laughing and joking around, I'm really going to miss that. My heart has been left broken since the day you had to go and the memories I treasure dearly are in the tears that still flow. You were a caring and a loving father who had a heart of gold and I will forever miss you. I love you.

Love, Ebony

# REFLECTIONS OF Dewight's Journey

Dewight Remont Price was born April 2, 1968, in Saint Louis, Missouri, to Roosevelt "Rudy" Price and Diane Jones. Dewight received Christ at an early age and was baptized at Clayton Missionary Baptist church under the leadership of Reverend A.D. Dorsey. He was called to rest on April 24, 2022. His father, Roosevelt "Rudy" Price, and grandson, Kyran Johnson, preceded him in death.

Dewight was educated in Saint Louis, Missouri, attending Normandy and Ritenour schools. He worked in construction for many years traveling the country and doing what he loved. Dewight could be found taking pictures at all of the beaches and locations he traveled and worked. He also worked part-time as a cab driver for 10 years up until 2021. Cab driving became his primary vocation after suffering a major injury.

Dewight was always the life of the party, and you were guaranteed to hear him even before you saw him. He knew how to make anyone laugh, especially with his infectious laughter. Dewight never met a stranger, often striking up a conversation with just about anyone. Dewight loved his family and made sure to keep in touch with everyone, because family was always important to him.

The grandest celebration of his life will be held by his most treasured loved ones: his mother, Diane Jones; four daughters, Kirstin Spears, Twuana Price, Amber Price (Nicolas Ehrhard), and Ebony Price; five grandchildren, Karma Johnson, Adonis Warner, Kourtlin Spears, Aniya Ehrhard, and Amari Ehrhard; three sisters, Cimmeron Taylor-Bolar, Roschell Durant, and Doris Smith; and a host of nieces, nephews, aunts, uncles, and cousins. Dewight will truly be missed.

## "I NEVER LEFT YOU" BY MELISSA MCKENZIE

*I watch you everyday. I am always very near.  
I know deep in your heart, you realize I am here.  
I watch you while you sleep, in your bed at home.  
I hear you when you speak to me, when you are on your own.  
You cannot understand the reason why I have gone.  
But I will never leave you. I am there to keep you strong.  
Talk to me, I hear you though you may not see.  
We share an unbroken bond that will always be.  
Death won't keep us apart, for our love is forever. Just remember  
me in your heart, and one day we will be together.  
Live you life and live it full, dont waste a single day.  
Remember I am always with you every step of the way.*
