Life Reflections

Allen Kaye Smith, III was born on June 10, 1999 to his proud parents, Allen Kaye Smith, II and Sherry Smith.

Allen was committed to Christ at an early age.

Allen was also very active in extracurricular activities at an early age. He was an avid sports player; playing football, soccer, baseball and basketball from a toddler to high school.

Allen attended the Hazelwood and Ferguson Florissant School Districts, where he graduated from McCluer North High School in 2017. Shortly after graduation, Allen was independently devoted to pursuing his passions. He trained in different job positions before committing to work at the right hand of his father, one of the proud owners of Al's Lounge, Top Shelf Convenient Mart and Top Shelf Bar and Grill. Allen was a successful producer, artist and videographer. He was passionate about producing and recording music under the name, "*Yvng Fabio*" and record label "T.T.G." He believed in reaching back and took gratitude in helping his friends produce their own music in his studio. He showcased his craft on different social media outlets and musical platforms, such as Apple Music, Instagram and YouTube, just to name a few.

Allen was a genuinely loving, kind-hearted optimistic young man. He created a warm atmosphere that was welcoming to all. He was the life of any party, bringing laughter and smiles along the way. He had the most infectious and unforgettable smile. He will always be remembered for being these things and so much more.

Allen's Earthly journey ended on Friday, April 2, 2021. Allen was preceded in death by his grandmother, Mildred Morganfield and his grandfathers, David Hogan and Allen Kaye Smith, Sr. Allen leaves to cherish his memories through: his parents ~ Allen and Sherry Smith; dear grandmother ~ Mollie Smith; four siblings ~ Raeshak Smith, Alicia Smith, Brittany Hogan and Aigner Moore (McClain Moore); his fur-brother ~ Brownie; two special nieces ~ Trinity and Myah Smith; his special cousin ~ Symaiya Dunlap; and a host of aunts, uncles, cousins, relatives and friends.

Acknowledgment

The family of the late Allen Kaye Smith, III wish to express our sincere appreciation for the cards, florals, condolences, kind deeds, thoughts and other acts of expressions of sympathy extended during our bereavement. We ask you to please continue to keep us in your prayers.

Love all my lil babies!

*Little Brother,
I'm gonna miss kissing on those chubby
cheeks. I'm gonna miss having our "brother
and sister" outings whenever I come back
home to visit. I'm gonna miss you and mom
dropping me off at the airport whenever it's
time for me to leave. My memories of you
will live in my heart forever. I love you
forever and always my little brother.*

Brittany

"Masterpiece" by Aigner Moore

Bro. You were a King made in God's image. You were chosen, handpicked, made for purpose, on purpose, and wonderfully made. God blessed us by sharing you with us. You were worth more than rubies. You were so precious to us. You are beyond precious to me. I made a commitment to endure my race, after losing you. To walk in boldness, on fire, in confidence, without hesitation. My patients and children will know you. You will live through our stories. Your leaving will not be taken lightly, and my heart will smile when I think of yours. I Love You 3000,

Yae
