

Obituary

Gloria Viola Roy, daughter of the late Barnevy and Viola Roy, was born on Monday, February 9, 1959 in Baltimore, Maryland.

Glo, as she was affectionately called by family and friends, was the 6th of 8 children born to Barnevy and Viola Roy. She received her education in the Baltimore City Public School System. After school Gloria had various jobs but the most loved was working alongside her dad as a bus aide and dad as the driver of Peckoo's Transportation.

Glo was a kind, sweet, fun loving, and family-oriented woman who loved and cherished everyone she came in contact with – but none greater than her love for children. Gloria would watch all of the relatives and friends' children giving them tons of motherly love. For this she was often known as Mom, Mommy, Ma, Grandma, or aunt Gloria.

Gloria enjoyed playing cards, backgammon, Yahtzee, puzzle books, puzzles with 500 or more pieces (often times getting anyone who walked into the house involved), as well as eating crabs, dancing and listening to her oldies but goodies music.

Gloria is preceded in death by her son, Antoine Roy Sr.; daughter, Juanita Roy; parents, Barnevy & Viola Roy; sisters, Marion Generette & Francine Roy; brothers, Albert Generette & David (Tyrone) Roy; Niece, Antonia Roy; nephews, Anthony (Moe) Davis, Anthony (Man-Man) Roy and Antiwond (Snook) Roy; special friend, Clarence Magnum.
