God looked around his garden  
And found an empty place.  
He then looked down upon the earth,  
And saw your tired face.

He knew about your broken heart,  
His love said, "You are mine."  
He closed your eyes to give you rest  
And whispered, "Peace be thine."

He heard your prayers, your suffering  
And lifted you to rest.  
God's garden must be beautiful –  
He always takes the best.

It broke our hearts to lose you  
But you did not go alone –  
For part of us went with you  
The day God called you home.

*Your kind expression of sympathy and caring is more  
deeply appreciated than words of thanks can ever express.
