 Recessional ..... *When I Am Gone* .....

When I am gone release me, let me go, I have so many things to see and do. You mustn't tie yourself to me with tears, Be happy that we had so many beautiful years. I gave to you my love, you can only guess how much you gave me in happiness, I gave you my love you each have shown. But now it's time I travel alone. So, grieve awhile for me, if you grieve you must, then let your grief be comforted, by my trust. It's only for a while that we must part so bless the memories within your heart. I won't be far away, for life goes on. So, if you need me call and I will come through, you can't see or touch me, I'll be near, and if you listen within your heart. You'll hear all my love around you soft and clear. And then when you must come this way alone, I'll greet you with a smile and say "WELCOME HOME"  
 From Huey

### *If Tomorrow Starts Without Me*

When tomorrow starts without me And I'm not there to see. If the sun should rise and find your eyes All filled with tears for me. I wish so much you wouldn't cry the way you did today. While thinking of the many things We didn't get to say. I know how much you love me as much as love you. And each time that you think of me I know you'll miss me too. When tomorrow starts without me Don't think we're far apart for every time you think of me, I'm right here in your heart. Eternal Love Karl

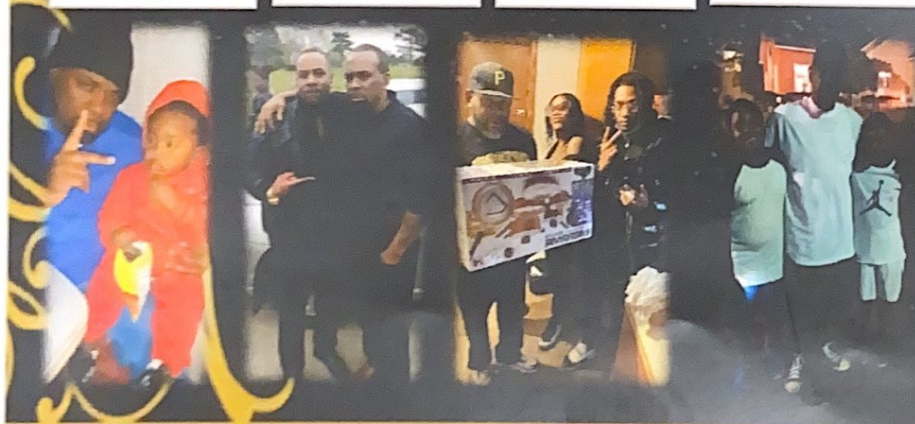

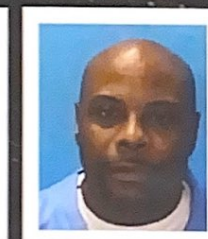

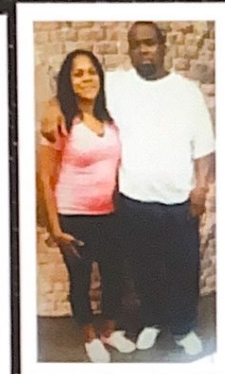

**LONG LIVE**

# The Love of Family and Friends

# Our Father Our Brother Our Friend

## My Dad

From the time that I was small, I looked up to you. And now that I've grown up, You're the hero, I never outgrew. From sitting atop giant shoulders, To see above the crowd, To swinging from strong arms, And hanging upside down, To running alongside my bike, To teaching strength when I would fall, To insisting I work hard in school, To loving me through it all. Growing up is often hard, Dad your presence lit my way, You led me along life's path beside me all the way I want to say I love you, For all the years together we have had, In my heart you are my hero, All my life you are my King Kong.

Your Loving Daughter  
Roniesha RaQueal Reynolds

## My Father

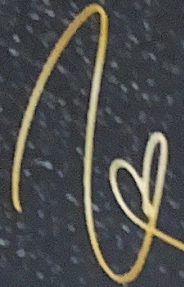

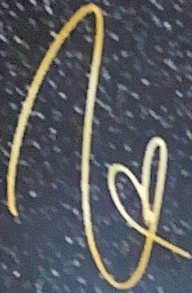

I cherish the memories I have with my father and know he is smiling down on all of us. Thank you again for coming out today to celebrate the memory of my amazing father.

Your Loving Daughter Jade

## My Big Brother

I wonder how my heart would heal  
As my only sibling, I hoped this wasn't real  
I'm lost without you  
As I'm sure you already know  
The pain in my heart  
The tears will forever flow  
You are my only brother  
You and me against the world  
Now you are in Heaven  
With our loving mother  
I wish we could have grown old together  
Reminisce on how things were  
But God have other plans  
But those memories will never be a blur  
I love you Huey, but this you already know  
Give mom a hug and kiss for me  
Until I knock on Heaven's door.  
Your loving sister Marquita

## Dad

These special memories of you will always bring a smile if only I could have you back for just a little while. Then we could sit and talk again just like we used to do. You always meant so very much and always will do too. The fact that you're no longer here will always cause me pain, but you're forever in my heart until we meet again.

YOUR LOVING  
DAUGHTER JADA

## To My dad

Thank you for always being there for me. You will always be the first man I ever loves. The first hand I ever held, and my one and only daddy! I know I don't always say it, but you are amazing and I am so lucky to have you as my father.

I LOVE YOU!  
Your Little Girl
