~ Expressions of Love ~

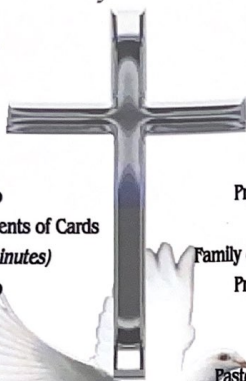

How I miss you, nobody knows. I think of you in silence. I often speak your name, deep inside my heart you are with me still. The things we feel so deeply are often the hardest to say. No one can take the love I have for you in anyway. Your Loving daughter, Alexis

Special memories of you will always bring a smile, if only I could have you back for just a little while. We could sit and talk again just like we used to. You always meant so very much and always will, too.

The fact that you're no longer here will always cause me pain but you're forever in my heart...until we meet again.

God's Garden

*God looked around His garden, and found an empty place.
He then looked down upon the earth,
and saw your handsome face.
He put His arms around you and lifted you to rest.
God's garden must be beautiful He always takes the best.*
