TREASURED
MEMORIES

FOREVER IN OUR HEARTS

~ God's Garden ~

*God looked around His garden, and found an empty place.
He then looked down upon the earth, and saw your lovely face.
He put His arms around you and lifted you to rest.
God's garden must be beautiful for He picked the very best.*

A Letter From Heaven

*When tomorrow starts without me, and I am not there to see,
If the sun should rise and find your eyes filled with tears for me.*

*I wish so much you wouldn't cry the way you did today,
Thinking of the many things we didn't get to say.*

*I know how much you love me. As much as I love you!
And each time that you think of me, I know you'll miss me too.*

*I had so much to live for - so much yet to do.
It seemed almost impossible that I was leaving you:*

*I thought of all the yesterday - the good one and the bad.
I thought of all the love we shared, and all the fun we had.*

*If I could relive yesterday, just even for a while,
I'd say goodbye and kiss you and maybe see you smile.*

*But then I fully realized that this could never be,
For emptiness and memories would take the place of me.*

*So when tomorrow starts without me, don't think we're far apart,
for every time you think of me I'm right here in your heart.*

~ Expressions of Love ~

Words cannot express what you truly mean to me.

*I thank God that I was blessed with a beautiful,
strong willed, funfilled, outgoing and loving mother.*

You was always, always there for me and I thank you for that.

I miss you now and will forever, but I know you will be looking down on me.

*We had fun these last three years together
and I thank you for the good, the bad and never the ugly.*

I can say from my heart, THANK YOU!!!

-Your Loving Daughter, Morey (Your "Go Go")

P.S. Go dance with your father again!!

We cried when you passed away, we still cry today.

Although we loved you dearly, we couldn't make you stay.

A golden heart stopped beating, hard working hands at rest.

God broke our hearts to prove to us, He only takes the best.

Our Mother taught us everything except how to live without her. ~ Pumpkin

Mama,

*You have always been a strong, smart and loving woman;
and you taught me how to become that same strong,
smart and loving woman that I am today.*

*You took care of your family and was always there, through thick and thin;
because family meant the world to you and you showed it.*

You are loved by so many and will be missed very much.

I love you, Ma forever and a day. ~ Pretty Girl

Her Journey's Just Begun

*Don't think of her as gone away...her journey's just begun;
Life holds so many facets... this earth is only one.
Just think of her as resting, from the sorrows and the tears.
In a place of warmth and comfort where there are no days and years.
Think how she must be wishing that we could know today
How nothing but our sadness can really pass away.
And think of her as living in the hearts of those she touched...
For nothing loved is ever lost....
And she was loved so much.*

~ Acknowledgement ~

*Perhaps you sang a lovely song or sat quietly in a chair.
Perhaps you sent beautiful flowers, if so we saw them there.
Perhaps you sent or spoke the kindest words as any friend could say,
Perhaps you were not there at all, just thought of us that day.
Perhaps you prepared some tasty food or maybe furnished a car
Perhaps you rendered a service unseen, near at hand or from a far.
Whatever you did to console the heart,
We thank you so much, whatever the part.*
