## Benediction

### ***I AM***

I am the wind in the trees  
and the song of a bird.  
I am moonbeams in a midnight sky  
And a glorious rainbow after the storm.

I am morning dew  
And freshly fallen snow.  
I am a butterfly flying overhead  
And a child happily at play.

I am a gentle touch  
A warm embrace.  
Open your heart to know...I am not gone.  
Reach deep into your soul...You will find me.

I am here.  
Have no fear, I am with you  
Always.
