Paem

As tears roll down my face
I know that you're in a better place.
I close my eyes to see your face,
suddenly I feel your warm embrace.
with a smile so wide it brings tears to my eyes,
I try so hard not to cry.

All of my pain
I cannot hide, you always knew
just what to say to anyone
that was having a bad day.

I don't know if I'll ever understand,
but it must
be a part of God's plan.

As I look up towards the blue sky, I am can imagine
you spreading your wings to fly.

Be sure to give your mom a sign so she
knows you're in heaven
and everything is fine.
Tell everyone there I send my love,
to all of my angels up above.

As tears roll down my face
I know that you are in a better place.

Pot we love you forever and will miss you dearly

Love Your Cousin
