## *It's Like He Had Fire Shut up in His Bones*

Like he was born under the sun and was  
destined number one.  
He stood out, larger than life, he was That  
One.  
Nero had natural power and magnetism,  
He was an irresistible force,  
Uncommon, Unique. He glowed with a  
passion.  
It is like he had fire shut up in his bones.

We loved him for his gifts, his words, his song.  
He left us his soundtracks, his lyrics live on.  
To hear him, to see him, to share in his love,  
Was like walking on sunshine, a gift from  
above.  
He had faith, dedication, and a strong will,  
His light was brilliant, and blindingly bright.  
All that passion, all that life,  
It's like he had fire shut up in his bones.

We will miss our Nero, our son, brother,  
father and friend.  
We'll take with us the memory, in them he  
always lives.  
Heavenly Father, we thank you so much for  
Nero's life.  
He showed us that  
Life is for living, for loving and fun.  
Da Plug came here and conquered, he came  
here and won.
