IF TEARS COULD BUILD A *Stairway*

If tears could build a stairway and thoughts a memory lane
I'd walk right up to heaven and bring you home again,
No farwell words were spoken, no time to say goodbye
You were gone before I knew it and only God knows why.
My hearts is sadness and secret tears still flow
What it meant to love you, no one will ever know.
But no I know you don't want us, to mourn for you no more
To remember all the happy times, life still has much in store.
Since you'll never be forgotten, I pledge to you today,
A hallowed place within my heart, is where you'll always
stay.
Love you Always

I Miss you Always Brother

My heart has been left broken
Since the day you had to go
And the memories I treasure dearly
Are in the tears that still flow.
You’re in my thoughts everyday
And that’s how it will always be
For you may be up in Heaven now
But you’ll always be with me.
If only I could have the chance to
See your face once more
Or hear your voice one final time
Just like it was before.
The day that heaven calls for me
Will be a relief from all this pain
I’ll run to you with open arms
And we will meet again.
I Love You,
-Trice
