

## A note to Enrique

Bruh....out of all the things and people 2020 has taken from us, I never thought that you, your life would be one of them. They say not to question God's timing but that's exactly what I'm doing right now..... This isn't fair....

Enrique, Rique, Stank, Que, Chyna... your name will continue to be uttered at every work function, brought up at every friend's party and spoken at EVERY family gathering until none of us remain. You are well loved and because of that you're already missed. We are hurting but you are NOT! Knowing that you are resting is what brings us some small level of peace. I Love you.... Rest well

Latoya Anderson, God-sister

## Expression of Gratitude

The family of Enrique Sims would like to express our deepest appreciation for everyone's sympathy as we mourn his loss. The shared memories from all of you, the many phone calls, floral arrangements, cards, gifts of food and service, words of encouragement and other expressions of love means a lot to us. We would especially like to thank the staff at Prisma Health Baptist for their diligence during his battle with cancer. We are forever grateful. Enrique will be missed dearly by all who knew him.
