

In loving memory Grandma moon

Grandma moon thank you for all the wonderful memories that you've made with us throughout the years. Thank you for loving every single one of us as your own. Throughout time we created a special bond that couldn't be broken, you weren't just a family friend. you were family. You watched us all grow up, and you were there through thick and thin. God brought you into our lives for a reason, and we're glad he did. We are all going to miss you so much, but we know you're in a better place now. May you watch over us and protect us wherever we go. Thank you for all the unconditional love, and for always putting a smile on our faces. We're going to miss your loving and caring personality, the way you smiled and laughed, and your crazy attitudes. Even though you're gone you'll never be forgotten, rest in paradise beautiful.
