When you lived your life for others  
and you loved *without condition*  
When you made so many laugh and your  
*smile* won't be forgotten  
When you left behind an empty place  
that no one else can fill  
When the friendships that you shared  
long to be renewed  
When you built your life on hope  
and fulfilled it every day  
The *footprints* that you left behind  
will bring us face to face  
So, *goodbye* is not forever,  
You're only steps away.
