FOREVER IN OUR HEARTS

You are forever in our hearts, the day will come I know, when all the rain has fallen, And the sun begins to show. We'll think of you in all we do Your warmth will tough our face, you'll twinkle in the starlight, and be held in each embrace. So, please do not be saddened If a tear for you I shed but we had dreams and wishes which I'll safely keep instead. Although it hurts, we understand You'd somewhere else to be Our time together has not passed You'll always be with us. In every day, in every way You'll always be a part Our precious little angel You're forever in our hearts!
