Poem

“Miss Me, But Let Me Go”

When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room
Why cry for a soul set free.

Miss me a little but not too long
And not with your head bowed low,
Remember the love
That we once shared
Miss me but let me go.

For this is a journey
That we all must take
And each must go alone
Its all a part of the master’s plan
A step on the road to home.

When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows
In doing good deeds
Miss me but let me go.

WHERE LIFE BEGINS
& LOVE NEVER ENDS

A Tribute to Taurus

No words I write could ever say
How sad and empty I feel today.

The angels came for you
Much sooner than I planned.
I'll brave the bitter grief that comes,
And I'll try my best to understand.

Why did you have to go away?
Why wasn't it right for you to stay?

In my heart you will always be.
I love you dearly and I know you'll watch over me.

What I'm suffering seems so unfair,
But one thing is for certain
My love for you will always be there.

My son you always will be,
The most important part of my heart's memory.
I'll cherish the moments I held you in my arms,
And I'm sure that if you had stayed longer,
You would have graced me with your charms.

A thousand words won't bring you back

I know because I've tried.
Neither will a thousand tears;
I know because I've cried.
Now you're up in Heaven
With the angels up above.

They will take my place for now,
And they'll give you all their love,

So go and rest in peace now,
My little boy so dear,

For all my love and memories
I will hold forever near.
