# Obituary

*Anthony Nathaniel Covington*, the loving son of Dimetria Richburg and Nathan Covington Sr, was born June 29, 1992 in Baltimore, Maryland. Anthony was called home on Saturday, March 28, 2020.

Anthony was the youngest of four children, who were raised in a loving household with strong parental guidance and emphasis on building strong character and values. From an early age, Anthony enjoyed attending Saturday school and attending church services at The New Psalmist Baptist church where he was baptized in June 2007. While attending Saturday School, he learned scriptures and passages that he was able to apply to various life situations.

He received his education in the Baltimore City Public Schools System and graduated from Southside Academy where he received his high school diploma June 2011. After completing high school, Anthony began the next chapter of his life by entering the work force. Nothing brought him more pleasure and sense of accomplishment than working and looking out for others. He learned early the importance of hard work from watching his parents and working with his grandfather, William "Bill" Harris, on Saturdays. These values were carried with him while working at The Gap, Mc Donald's, Amazon, Rita's, and with D & J Contracting, LLC.

Anthony enjoyed being around his family and friends. He had a big heart and touched the lives of everyone whom he came in contact. He enjoyed rapping, listening to music, and was always known to be the life of the party. Anthony was admired, loved, and respected and he loved life and family. If you were his friend, he treated you like family. The love he had for his entire family will forever be cherished and greatly missed. Anthony will be remembered for taking selfies and pictures of waves saying, "I just got a fresh Bip (haircut), Waves on swim so they hate on who?.... Him! Mo Money Baby."

Anthony's life will forever be cherished by: his devoted parents Dimetria Richburg and Nathan Covington Sr.; his siblings, Aniesa (Brian, fiancé'), Ashley(Antonio) and Nathan Jr.; nieces & nephews Amani, Anthony, Andre, Kiandre, Amaris, Ameira, Jailyynn, Qua'Mari, JaNya, Brian Jr, Akayla, Aiden and Autumn; great niece and nephew Mariah and Mason; grandmother Iona Richburg; grandfather William Harris; Aunts & Uncles, Millard Richburg (Karen), Deborah Crosby, Gwen Parker (Joseph); Special friends, Kamau Robinson, Miguel Lambirth Kimberly Ghee, Aaron Sampson, BJ. , Fat Mama and a host of other relatives and friends.

Anthony was preceded in death by, his great- grandparents Hattie & Leonard Covington; grandparents, Millard Richburg Sr. & Patricia Harris; his aunt Patricia Richburg; and cousin Lydell Harris . All are mourned, loved and are truly missed.

*God looked around His garden  
And He found an empty place,  
He then looked down upon this earth,  
and saw your tired face:  
He put His arms around you  
And lifted you to rest.  
God's garden must be beautiful,  
He always picks the best.*

Anthony ❤️

**Brian Jr.**

Anthony Known as Antmo. You will always be loved and always remembered. Now you're in a great place where you will be taken care of. We will always love you and remember you. Although you're in heaven and we are in the world, don't think we will ever forget about you.

### **My Son**

**It's sometimes hard to know. Why some things happen as they do. For so much joy and happiness was centered around you.**

**It seems so hard to comprehend that you're no longer here, but all the happy memories will help to keep near.**

**You're thought about with pride, Son with each mention of your name death cannot change a single thing the love will remain.**

**Daddy**

### *In Loving Memory of My Son*

*Of all the special gifts in life  
However great or small  
To have you as my son  
Was the greatest gift of all*

*A special time  
A special face  
A special son  
I can't replace  
With aching heart  
I whisper low  
I miss you son  
And love you so*

**Mommy .... As I Sit In Heaven  
And watch you everyday  
I try to let you know with signs  
I never went away.  
I hear you when you're laughing,  
And watch you as you sleep,  
I even place my arms around you,  
To calm you as you weep.  
I see you wish the days away,  
Begging to have me home,  
So I try to send you signs,  
So you know you're not alone.  
Don't feel guilty that you have  
Life that was denied to me,  
Heaven is truly beautiful,  
Just you wait and see.  
So live your life, laugh again,  
Enjoy yourself, be free,  
Then I know with  
Every breath you take  
You'll be taking one for me.**

*Some called you Antmo, but to me you were just Anthony. I will forever miss you more than anyone can believe. I try my best to move forward, but its eating at my soul. You never did anything to anybody; you had a heart of gold.*

*Ameira*

I wasn't ready to have to live without you and never wished to feel this pain. The idea of not being able to call you is driving me insane. The baby of the bunch with the heart of a lion, will be some of the memories I have of you that keeps me from crying. Wishing this was a bad dream and I could still call on my friend. You stepped up for my babies and that meant way more than you can imagine. I'll cry for you my brother cause this pain I can't bare. I'll look and reminisce on all the memories we share. Know that you'll never be forgotten because my hearts a sacred place. Only special memories get stored in that special place. I was..., no I am my brother's keeper because we have each other's back. From this moment on I gained an angel and know that's a fact.

Love you my brother! My life is forever changed!  
Aniesa

*When I see those pictures of you smiling remember the conversations with me where you were confiding. Wishing we could escape this day. When I awoke you were here to stay. If only you could talk with me.... if only you were here. I love the way you carried yourself you never showed any fear. No matter what you were doing, you knew that I would stand by you and help you through. I look up the stars at night to see which one is shining bright. I wish I could see your smile. I would travel those extra miles. Can't get you out of my mind, although I know it'll get easier with time. I love you, I miss you, and I wish you were here. Losing you was my greatest fear.*

To Anthony,

Our hearts are heavy but know you will always be in our hearts. Your infectious smile and warm heart made our world much brighter. Memories from family gatherings and vacations will stay with us forever. I thank God for you, and the years he allowed you to bring your special sunshine and light. We will love you forever!

Love, Aunt Debby & Uncle John.

Today is full of *memories* of my *Uncle* laid to rest and every single one of them is filled with happiness. For you were someone *special* always such a joy to know and there was so much pain when it was *time* to let you go. That's why this special message is sent to *heaven* above for the angels to take care of you and give you *all my love*.

*Amani*

We thought of you today. But that is nothing new. We thought about you yesterday. And days before that too. We think of you in silence. We often speak your name. Now all we have are memories. And your picture in a frame. Your memory is our keepsake. With which we'll never part. God has you in his keeping. We have you in our heart. -Unknown

If tears could build a stairway, and memories a lane, I'd walk right up to Heaven and bring you home again. No farewell words were spoken no time to say goodbye you were gone before I knew it, and only God knows why. My heart still aches in sadness and secret tears still flow, what it meant to lose you, no one will ever know.

### Memories of My Brother

**How well I do remember  
All the special times we had  
As we were raised side by side  
Sharing good times, sharing bad  
Sometimes we would disagree  
But always made up in the end  
But as we grew to be adults  
We became the best of Friends  
Then you heard the voice of Jesus  
Gently calling from on high  
He was holding out His loving arms  
But I could not say "goodbye"  
So I said "see you later"  
Dear brother, wait for me  
In the beauty of God's Heaven  
Where the best is yet to be**

### Memories Of You Brother

It's been the hardest thing to lose you  
You meant so much to me  
But you are in my heart Brother  
And that's where you'll always be  
I know that Heaven called you  
But I wish you could have stayed  
At least the memories I have of you  
They will never fade  
I did not want to lose you  
But you did not go alone  
Because a part of me went with you  
When Heaven called you home  
So just remember one thing  
We are not apart  
You're with me in my memories  
And in my broken heart

### The Day God Took You Home

A million times I've needed you  
A million times I've cried,  
If love alone could have saved you  
You never would have died.  
In Life I loved you dearly,  
In death I love you still,  
In my heart you hold a place,  
No one else can ever fill.  
It broke my heart to lose you,  
But you didn't go alone,  
Part of me went with you  
The day God took you home.

*Love, Your Brother, Nate*
