Brian Bill Azure was born Thursday, November 18th in 1954. His parents Pauline Marie Azure and Antoine Ernest Azure celebrated his birth in Swan River, Manitoba.

He grew up on the land with his siblings; Ernest, Gerald, Abraham, Darlene, Helen, Elaine, Wayne and Ernest. Brian was the happiest when he was outdoors.

Throughout his life, he enjoyed hunting, trapping and fishing. He was very skilled and knowledgeable in these areas. He liked to pass on his knowledge and share tips and tricks to take care of the land and wildlife respectfully.

In the late 70's, Brian would meet his future wife, (predeceased Miriam Elizabeth Azure). Together they formed a family of numerous children Alex (Stephanie) Lathlin, Terrance (Tina) Lathlin, Brenda (Craig) Larson, Victoria Lathlin, Barbara (Oliver) Partridge, Alvina (Darren) Azure, (predeceased David (Danielle) Azure), Chelsea Azure, Rory Azure, Ryder Azure and Owen Azure. Brian had a big family filled with many grandchildren and great (great) grandchildren.

He loved to play bingo and travel around to find the game. It was one of his favorite things to do with his wife. They would be on the road spending time together with friends and family, dropping in randomly to say hi for coffee. Together they brought joy to many places and people with their infectious laughter and good nature. They made friends everywhere they went.

Brian was a traditional man. He was a pipe carrier and followed the red road. He and Miriam have a large lodge family with many brothers and sisters. He learned many things over his lifetime and was always willing to help a hand to family or strangers in need.

Brian was diagnosed with lung cancer in 2021. He passed away peacefully from this disease on March 24th, 2024, at the Brandon Regional Hospital, Brandon, Manitoba, at the age of 69 years.

Brian leaves behind to mourn siblings, children, great (great) grandchildren, and many relations of family and friends. He goes to join his beloved wife, parents, son and extended family in heavenly bliss.
