Uncle Danny
what's your
name?

June 6 1960 – October 1 2020

Last, we would like to acknowledge Danny's niece and fighting partner Michelle Constant. Michelle was always checking on Danny and cleaning for him. She always made sure Danny had food, smokes and pop. They would argue and laugh at the same time.

Michelle what you did for your uncle went above and beyond, our family greatly appreciates all you did!

Danny loved you so much.

*"Our hearts still ache with sadness and silent tears still flow.
For what it meant to lose your brother. No one will ever know.
To hear your voice, to see your smile, to sit and talk with you a while to
be together in the same old way, would be our dearest wish today.
No one knows the sorrow we have when the family meets and you're not
there."*

Jemima "Mom" Constant

Earl Daniel Constant

Danny was born on June 6 1960 in The Pas, MB to Ahab and Jemima Constant

Danny had four sons, Jamie, Dylan, Phillip and David, from his boys he had five grandchildren Sadie, Brylee, Nyah, Rheanne and Trayden.

Danny rarely travelled and was unable to see his grandchildren as much as he wanted. However, when he was able to have a visit with his grandchildren, Danny would light up, he was the proudest grandpa ever, he loved them all dearly.

Danny had a very close bond with all his siblings, as well with his nieces and nephews. Danny loved and cherished all his great grand nieces and nephews. He never called his brother in laws by their names, he always called them "neestow"

Danny would attend all the family events such as birthdays, graduations, and anniversaries. Danny was always a source of support and always joked with everyone. He had a special gift of giving nick names, he would give each child a nick name that would stick with them forever.

Danny completed a water treatment course and was certified. This past year Danny completed the "Stages Program" from UCN, Danny ruled the school! We called Danny "the jack of all trades" although he had his challenges, he overcame them, he had mechanic skills, plumbing, cook, dry walling and also raised two sons.

Dan the man as he was called by his friends, loved to joke he made everybody laugh, he had a knack for telling stories so good and funny. He would tell them in cree which made the stories funnier. He had the gift of laughter because of his sense of humor, that Tugeye was loved by all.

Danny loved all sports, hockey being one, however the game of soccer was something he held so much passion for. As a young man, he played for the Big Eddy Warriors. The guys treated Danny like a brother and protected him on and off the field.

He played within this team for many years, the name changed a couple time, but the guys remained the same. Danny showed so much loyalty, he was a Big Eddy Warrior through and through.

A hobby of Danny's was fishing, his friends always picked him up. He really looked forward to that.
