

In Loving Memory of Cecília Head (nee Cook)

October 8, 1954—November 10, 2020

On Tuesday, November 10, 2020, Cecilia Head (Cook) passed away unexpectedly at the age of 66, at St. Anthony's Hospital, The Pas, Manitoba, due to complications from COVID 19.

Cecilia was born on Friday, October 8, 1954 to Rod and Sarah Cook. Cecilia was united in marriage to Walter Thomas Head on August 15, 1997.

These two were inseparable, they took care of each other and never heard them complain about anything. The love they had for each other was amazing and real. When Cecilia became ill with diabetes, this brought on mobility issues due to complications from this disease. They had to relocate from the 20-Plex to the Rod McGillivary Memorial Care Home so she could get the care she needed. Her husband Walter (who also has a disability) would often be seen pushing her in her wheelchair from the Care Home to the Otineka Mall, where they would spend their mornings shopping and visiting friends and family in the Food Court. They also attended many family gatherings and other functions around OCN. Walter showed his love for his wife in many ways, by attending to all her needs.

Cecilia is survived by her husband Walter T. Head; her son Arlen Rod Bloomfield; her grandchildren; in-laws, Mary E. Sinclair, Lena Oman, Yvonne C. Gutowski, Silas and Margaret J. Lathlin, Ida K. Head, Debbie A. Custer; and many friends and other family members, too numerous to mention.

Cecilia was predeceased by her grandparents; her parents Rod and Sarah Cook; brothers Jonah Cook and Roddy Cook; sisters Flora Bloomfield, Irene Highway; in-laws Joe and Lillian Head, John and Hagar Head, Flora Ross and Mike Weislo, Stanley Head, Joseph Head, Stanley Sinclair, Stanley Oman, Edna and Alex Constant, Darrell Custer, Mary Jane Harris. If we forgot anyone it was not intentional.
