In Loving Memory Of *Annie Bella Ducharme*

March 26, 1938—March 1, 2021

Annie Bella Ducharme passed away peacefully Monday, March 1st, 2021 at home with her family by her side, at the age of 82 years. Mom was born Saturday, March 26th, 1938 in Thicket Portage to Louisa and Jacob Evans. Mom was raised in Thicket Portage until the age of 11. She moved to Cormorant where her mother passed away and she had to raise her younger siblings.

Mom and Dad met while working at the fish plant in Cormorant. They were married September 15th 1956. Together they raised 10 children. Mom worked at Cormorant Lake School as head custodian for 28 years before she retired.

Mom came to know the Lord as her personal savior in 1971 and opened up her home to have services before they established an NCEM Church in Cormorant. Mom and Dad were involved with many community events throughout the years. Such as festivals, sports teams, the Cormorant arena and Cormorant Gospel Chapel.

One of Mom and Dad's biggest accomplishments was the Cormorant Lakers Ladies Fastball team. They were very successful and talented. Mom and Dad made it fun. Some of the team still call them Mom and Dad to this day. One of the highlights of Mom's life was the year she won Queen Trapper. At the festival she had to Squaw wrestle Peewee. It was fun to watch. She then had to arm wrestle Janice in the semi-finals and went on to beat Sharon in the finals.

Mom had a great love for sports. She was an avid hockey fan. When Team Canada was playing Russia she would say "they are playing the Rush-ee-ins", she would watch replays and would say, "they scored again!" She loved watching her Sons, Grandchildren and Great-Grandchildren play hockey and the various events in their lives.

Granny had the same love for all her Grandchildren. She prayed endlessly for each of them by name. Granny showed her family and the community what the word Love means.

Mom and Dad were married for 64 years. They had a deep abiding love for each other throughout their marriage. When Dad lost his soul mate it affected him deeply and will continue until they are back in each other's arms. Mom's final wish was for her children and grandchildren to look after Dad/Grandpa.
