Victoria was a loving, caring woman from Cormorant, MB she loved her home town and lived there her whole life. Victoria passed away at the young age of 61, she passed away at St Boniface Hospital in Winnipeg, Mb. Victoria will be missed dearly by her family as she was the glue who held her family together.

She always checked up on all her nieces' nephews and grandchildren, all her life she was always with the kids. She loved to plan family get together, she would love it when her house was packed with family. She enjoyed cooking, baking, puzzle making, playing bingo with her sisters. She was the type of person you would call for anything if you wanted to know someone's birthday she knew, recipes, phone numbers she always knew. She will be remembered for her generous heart, and a smile that could light up any room she walked in. Although she was only 61 when she passed her last year on earth was amazing as just one year ago from her passing, she finally received a kidney transplant. This meant no more spending her days on dialysis, no more being exhausted and sick from her kidney. She travelled lots she gained more energy to spend more time with her family.
