Darnae

We planned and waited so long for you.

At last you began to live in me.

I listened to your speedy little heart and

Imagined who you would be.

As I snuggled up against your Daddy,

You kicked him "hello" that first time.

Every decision was made with such great care;

A rocker for late night feedings,

You waited patiently an extra week

So every detail could be completed.

We headed for the hospital, hurting,

But happy that your time had come.

We'd finally meet our little boy.

We did everything right, breathing,

Relaxing and pushing.

How were we to know that when

last we snuggled,

Your kick to Dad had meant "good-bye."

Love Mom, Dad and Wynston
