To A Loving Wife

Although our worlds are different now
Or is that just how it seems
For I see you when I close my eyes
Because you are always in my dreams

I know you're up in Heaven
And looking down on me
And when I look up at the stars
I know that's where you'll be

Even though I miss you
You're no too far away
Because My heart is full of memories
I treasure them everyday

Our time on Earth was special
But it's only the very start
So please keep watching over me
While we're not so far apart

Someday the time will come
When I no longer feel the pain
That is the day when heaven calls
And we will meet again

Your Loving husband,

Lonnie

My Mother

Although you cannot hear her voice
Or see her smile no more,
Your mother walks beside you still
Just as she did before,
She listens to your stories and
She wipes away your tears,
She wraps her arms around you
And she understands your fears.
It's just she isn't visible
To see with human eye,
But talk to her in silence and
Her spirit will reply.
You'll hear her in your heart.
She's left her human body but
Your souls will never part.

We will always love you
Kim, Darren, Valerie, Lonnie Jr., and Christella
