# *Davarius Davis*

*The LORD is close to the brokenhearted and saves those who are crushed in spirit.*

*Yes Family, here we are again, the death angel has once again taken from us another of our loves one.*

Varo received his education in the Chicago public school system. He attended crown Elementary, Douglas Jr. High, and John Marshall High School. His favorite cousin Tyree Davis and nephew Dominique Bowling Jr. preceded him in death.*

*Varo was a great athlete, he was known for being goofy, he was the class clown, always full of life, very family oriented, and extremely ambitious. During his free time, he enjoyed dancing, playing basketball, and having play dates with his children. Varo was welled loved by all who knew him.*

*On Monday, July 20, 2020, Varo made his transition into eternity. He leaves to cherish his precious memories two loving and devoted parents, mother Latrice Davis-Malone, Pops Anthony Malone, three Children Davaria, Da’Niya, and King. ## *When Tomorrow Starts Without Me*

*When tomorrow starts without me, and I’m not there to see;  
If the sun should rise and find your eyes, all filled with tears for me.*

*I wish so much you wouldn’t cry the way you did today,*

*While thinking of many things we didn’t get to say.*

*I knew how much you loved me, as much as I loved you,*

*And each time you think of me, I know you’ll miss me too.*

*But when tomorrow starts without me, please try to understand,  
That an Angel came and called my name, and took me by the hand.*

*And said my place was ready in Heaven far above,*

*And that I’d have to leave behind all those I dearly loved.*

*But As I turned to walk away, a tear fell from my eye,*

*For all my life, I’d always thought I didn’t want to die.*

*I had so much to live for, so much yet to do,*

*It almost seemed impossible that I was leaving you.*

*I thought of all yesterdays the good ones and bad,*

*I thought of all the fun we had.*

*If I could relive yesterday, just even for a while,*

*I’d say good-bye and kiss you, and maybe see you smile.*

*So when tomorrow starts without me, don’t think we’re far apart,*

*For everytime you think of me, I’m right here in your heart.*

## *Farewell*

*The time has come to say Goodbye.  
Can we stop, pause and hit rewind?  
I was not ready for this not at all,  
Not even when I received that phone call,  
Disbelief struck me  
I did not know what to do.  
I grabbed my keys and headed  
straight to Douglas Park  
I was coming to find you.*

*While thoughts of you  
Danced in my head*

*Tears filled my eyes  
I thought how do you  
Tell 3 little kids  
Their dad just died.*

*Relocating to California  
Was your ultimate plan  
How did we get here?  
I just don't understand  
We had dreams and goals  
That only you and I knew.*

*So  
Having to let you go  
I'm not ready too.*

*Call me selfish  
If you must  
I need you back  
Here with us*

*~ Davaria, Da'Niya and king do too.*

*Daddy  
I want you to know  
While you were giving  
Me room to learn and too  
Grow.*

*I've learned how to love  
And let go*

*The fact that you're no  
Longer here.*

*Will always cause me pain.*

*But what do I do with mommie  
She'll never be the same*

*Broken hearts and pieces  
Are what you left behind*

*I never thought of you leaving*

*I thought we would have more time*

*I guess ill be a big girl now,  
and hold mommies' hand  
Reminding her everyday you  
were in God's plan and*

*You'll always be in our hearts  
Until we meet again!*

*~ Love you Daddy  
Da'Niya*

*You gave no one a last farewell  
Nor ever said good~bye  
You where gone before we all knew it,  
And only God knows why.  
A million times we will miss you  
A million times we will cry.  
If love alone could've saved you,  
You never would have died  
In life we loved you dearly.  
In death we love you still  
In our heart you hold a place,  
No one else can fill.  
It broke out heart to lose you,  
But you didn't go alone.  
For part of us went with you,  
The day God took you home.  
We will meet again someday  
I know in a better place,  
I thank God he made you our big brother  
While you where here on earth*

*~ Love Boo Boo*

*Its not fair someone took  
you away from us  
We will see you again  
Because in God I trust.  
Varo, I Love you and  
I'll miss you all too much.*

*~ Love Chelsea*

*Daddy  
For Someone who meant so,  
Much and loved by all he knew  
Who left behind a trail of tears?  
And precious memories, too  
  
We love the sunshine in his smile and  
kindness in his heart  
But heaven saw that he was tired which  
meant we had to part.*

*And now that it is his special day dear  
angels hear our prayers  
Please guard him with your gentle wings  
and tend him with great care  
For he was someone wonderful  
and words just cant convey  
How much we wish that  
he was here once more,  
With us today.*

*~ Love you  
Daddy, Davaria & King*
