

Lillie Mae Glenn

January 16, 1947 - November 12, 2022

Thank you for joining us to celebrate the life of a loving mother, great woman, and dearest friend. Lillie enjoyed raising and spending time with her family, cooking and cleaning, and spoiling her pups. She is remembered by her husband Carl, her children Joy, William, Carolyn, Dallas, Chasity, Wesley, Michael, and her many grandchildren. We will miss her joy, laughter, humor, and love. Thank you for helping us carry on her memory today and forever.
