

### Life Is But a Stopping Place

Life is but a stopping place, a pause in what's to be,  
A resting place along the road to sweet eternity.  
We all have different journeys, different paths along the way,  
We all were meant to learn some things; but never meant to stay.  
Our destination is a place far greater than we know,  
For some the journey's quicker, for some the journey's slow.  
And when the journey finally ends, and we'll claim a great reward,  
And find an everlasting peace, together with the Lord.
