After Glow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when day is done.

*I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.*

I'd like the tears of those who grieve to dry before the sun.

Of happy memories that I leave behind when day is done.

Life Reflections

Dorothy Bush Chavis was born on January 17, 1943 to the late Avens and Edna Wood Bush. She was a 1960 graduate of Jackson High School in Camden, South Carolina and continued her education in New Jersey.

She moved to Jersey City, New Jersey after graduation where she remained for a number of years. She was employed by the State of New Jersey where she insisted that she remain employed well after her legal retirement age just to have somewhere to go to socialize.

One of her favorite pastimes was to travel throughout the United States with her sisters and friends. She thought we should have written a book on how to travel on a dime due to comps received from casino stops. She was not a driver but as the big sister, she thought it was her duty to play navigator, telling us when, where and how we should make our way to various destinations of entertainment. She was always on the go and always ready to see the next site.

Dorothy was preceded in death by her parents Avens and Edna Bush and brother Jackie. She leaves to cherish her memories, a very special friend, Bill Armstrong; two sons, Kenneth (Helen) of Camden, SC and Jonathan of Charlotte, NC; special son Donte; three sisters, MaryAnn, Christine, Sylvia; four brothers, Evans (Patricia), Jimmy (Darlene) and Marvin (Celeste), seven grandchildren, Andrea (Brian), Robert, Sharena, Juanita (Shon), Lareka, Jared and Kenya (Alonte - Kennedy, Kaysen & Kh'ari); ten great grandchildren, numerous nieces and nephews, several grand nieces and nephews along with a host of cousins and friends.
