It is with heavy hearts the family of Fraser Scott Hein announce his untimely passing at the too young age of 31.

Born in Kindersley Saskatchewan, Fraser spent his early years in the small community of Marengo Saskatchewan, before moving to Oyen Alberta at the age of 12. During his time in Oyen Fraser grew his larger than life personality and polished his dance moves, which became the stuff of legend. After high school Fraser tried a number of different fields but always came back to the rough and tumble work of the oil rigs, and he prided himself on his titanium work ethic and motor that wouldn't quit.

Fraser was a bombastic soul who radiated positive energy and oozed charisma, a person who wanted to be friends with everyone in the room. He was also a nomad who loved experiencing new things and as such, he had a profound impact on people far and wide, from his childhood haunts of Marengo and Oyen to the big city of Calgary to the slopes of Jasper and the dance fields of Shambahla and everywhere in between, sharing his world famous bear hugs and boisterous laughs with any and all.

Left to cherish the memories are his mom, dad, siblings, everyone that knew him and his beloved CJ.

Shine on you crazy diamond. The brightest flames burn hot and fast.

Memorial tributes may be directed to **Royal Canadian Legion Branch #208 Box 184 Oyen, AB T0J2J0**

At the end of life, what really matters is not what we bought
But what we built; not what we got but what we shared; not our
competence but our character; and not our success but our
significance. Live a life that matters.
Live a life of love
