LIFE REFLECTIONS OF Gernon Keith Mosley

ernon Keith Mosley was born June 15, 1960, to the parentage of Palmer Mosley & Minnie Mosley in Tyler, TX. He was the second child of four children born to that union. He attended Marsh & Griffin Elementary and later graduated from John Tyler High School in 1978.

He enlisted in the United States Army in 1979 and was Honorably Discharged in 1982. Vernon was employed by the United States Postal Service for 36 years. He spent his retirement spending time with his loving wife, children, grandchildren, family, and close friends. He also enjoyed various activities that included: motorcycle racing, traveling, barbecuing, and frequently washing his many cars. He was outgoing, selfless, loving, and always gave GREAT advice even if you didn't ask for it.

Vernon united in Holy Matrimony to Tara Gray on October 4, 2008.

He was preceded in death by his maternal and paternal grandparents.

We will remember all the times you made us laugh with your jokes and fun spirit. Your smile is forever etched in our minds to see on days we've reached our limit.

We will remember your big heart; and how you did everything you said you weren't going to do for everyone and more.

We will remember to get in our cars only to ride down the highway and stop by every Nike store.

We will remember to keep our cars clean, rotate our tires, change our oil, and keep the miles low on our vehicles.

We'll dress down clean from head to toe, and will always smell good everywhere we go.

We will remember to keep some cash in our pockets and a stash in many places for a rainy day. We'll put in hard work on our jobs, so we can retire early some way.

We will remember how you gave us everything we asked for and fussed about it after.

You were always honest, and a lack of words were never a factor. We can't forget the long lectures of you repeating yourself often. Oh, how we are going to miss hearing you just talking.

We want you to know that despite your belief, we really were listening, and we truly understood your mission.

We're never going to forget your voice and all the things you wanted us to do.

We appreciate every single thing you did to make our dreams come true.

We promise to keep making you proud and continue to push through.

We must admit,

IT'S GOING TO BE HARD WITHOUT YOU!
